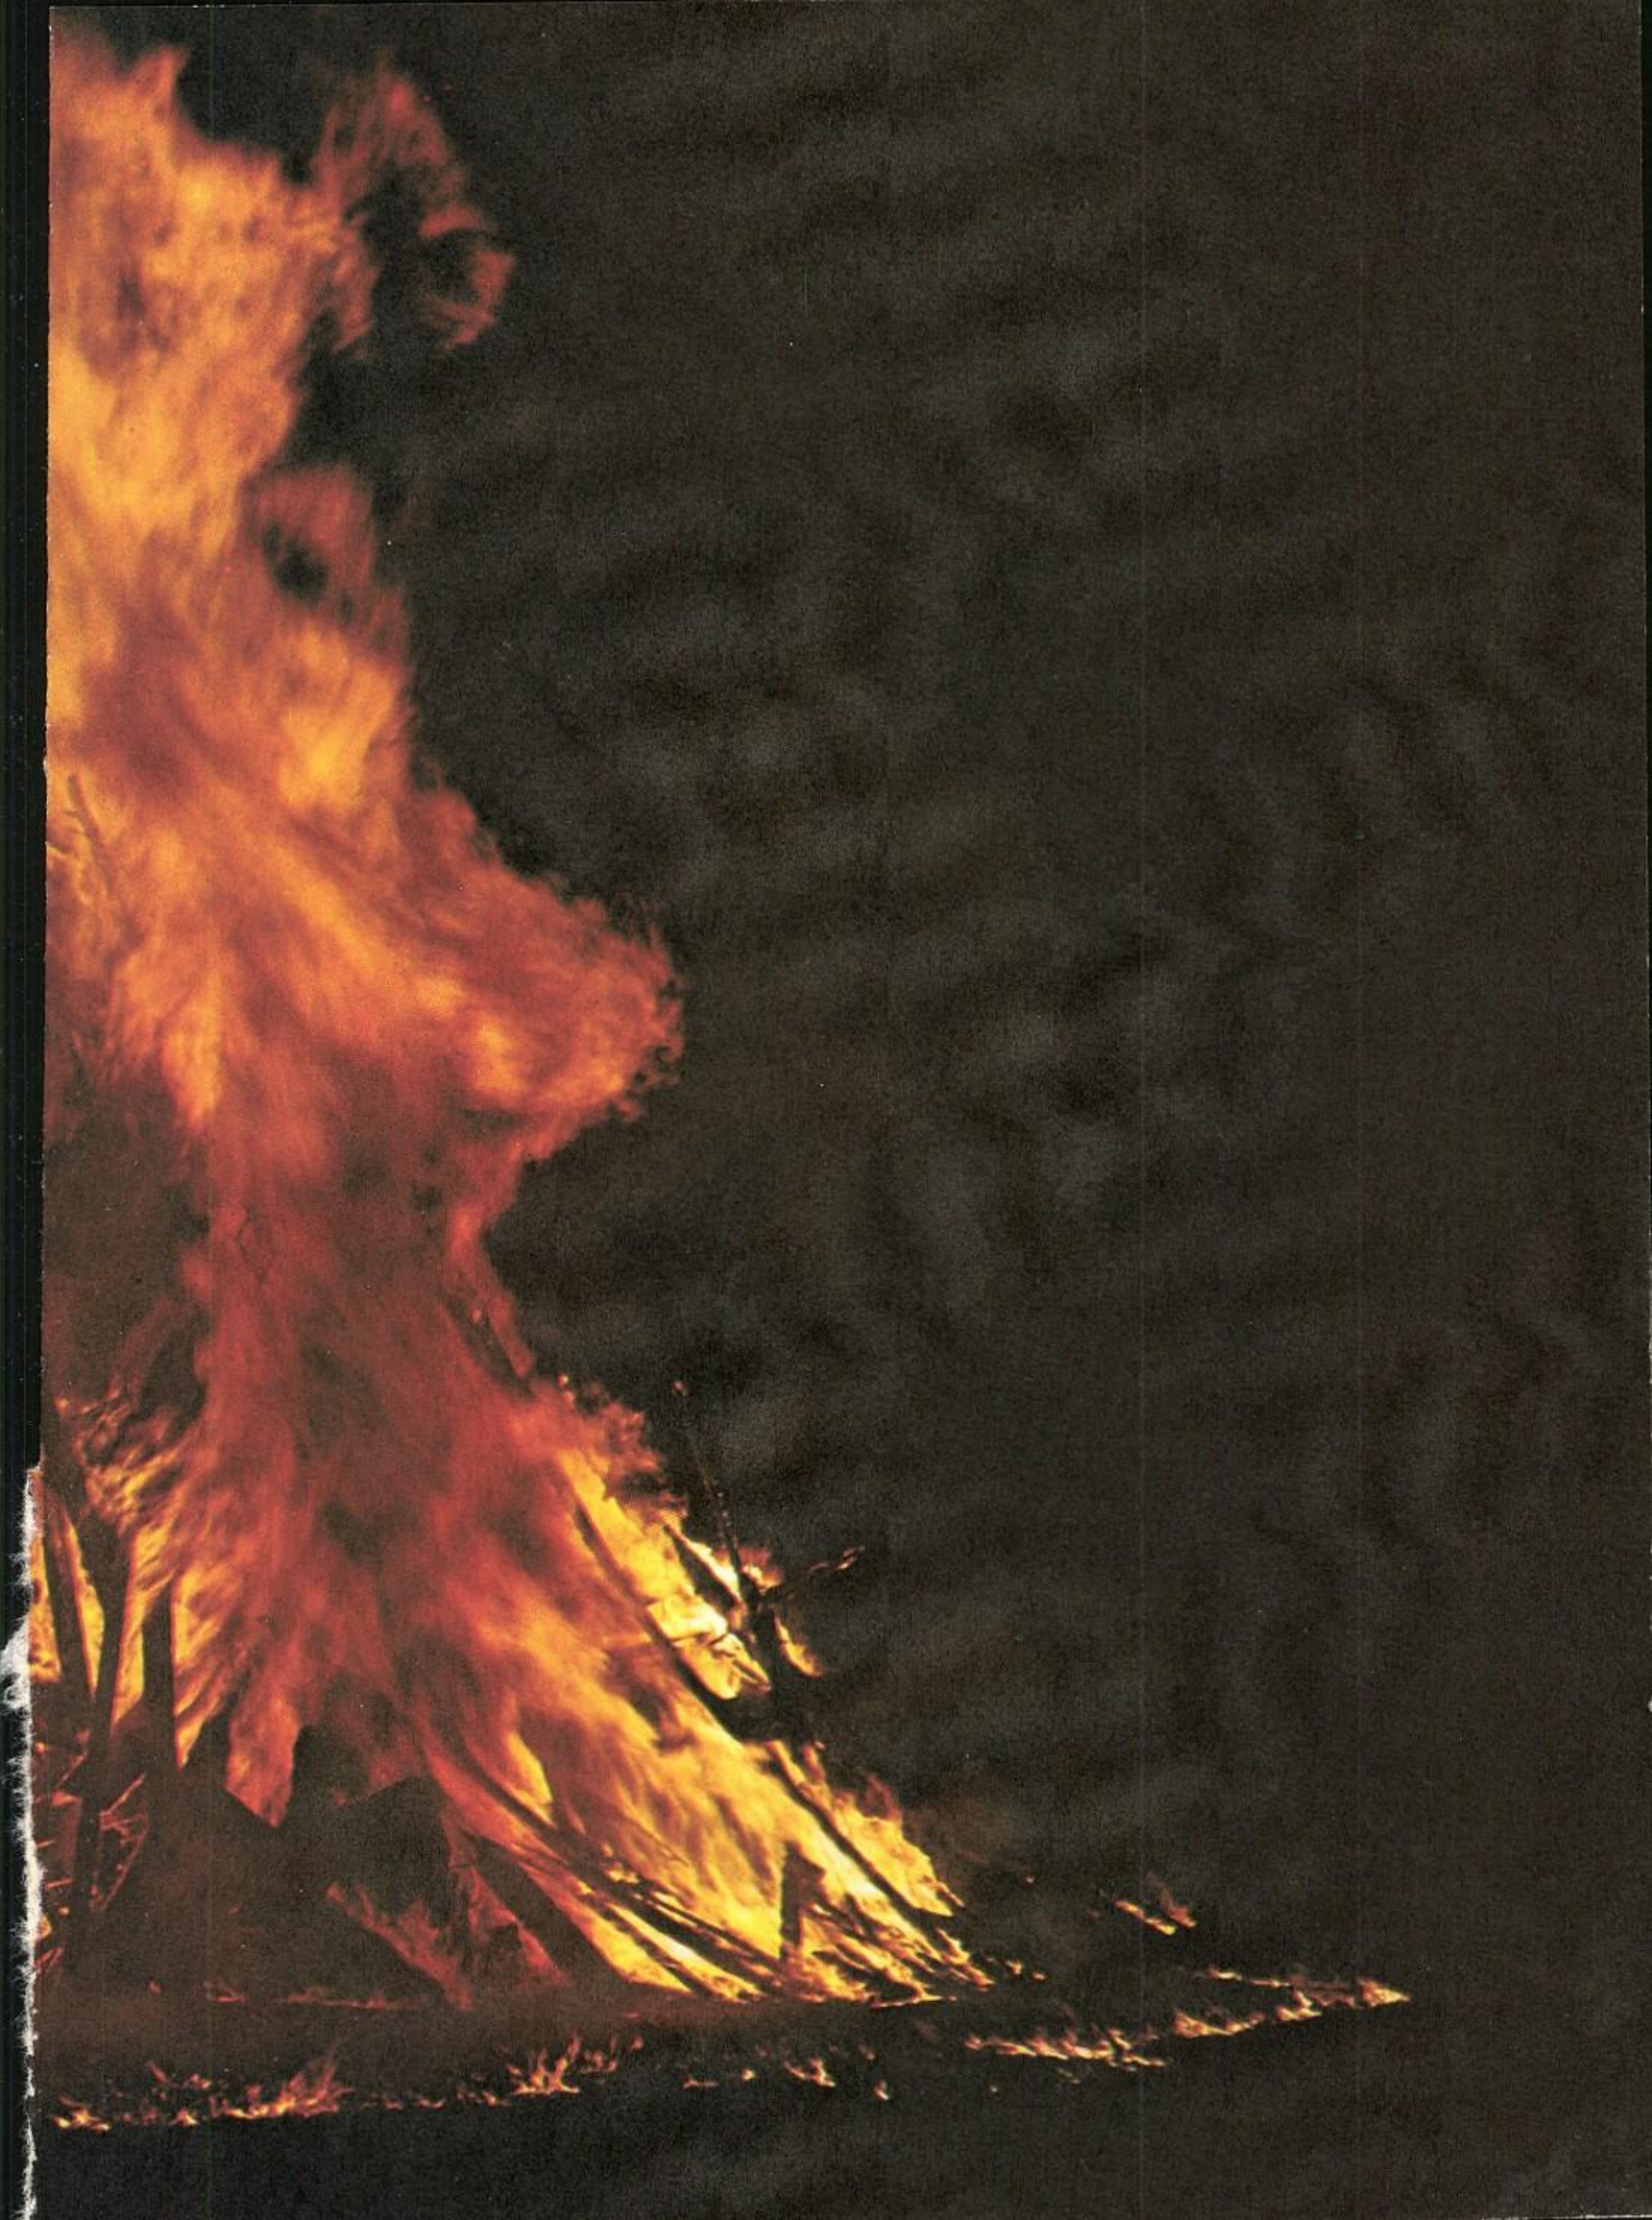
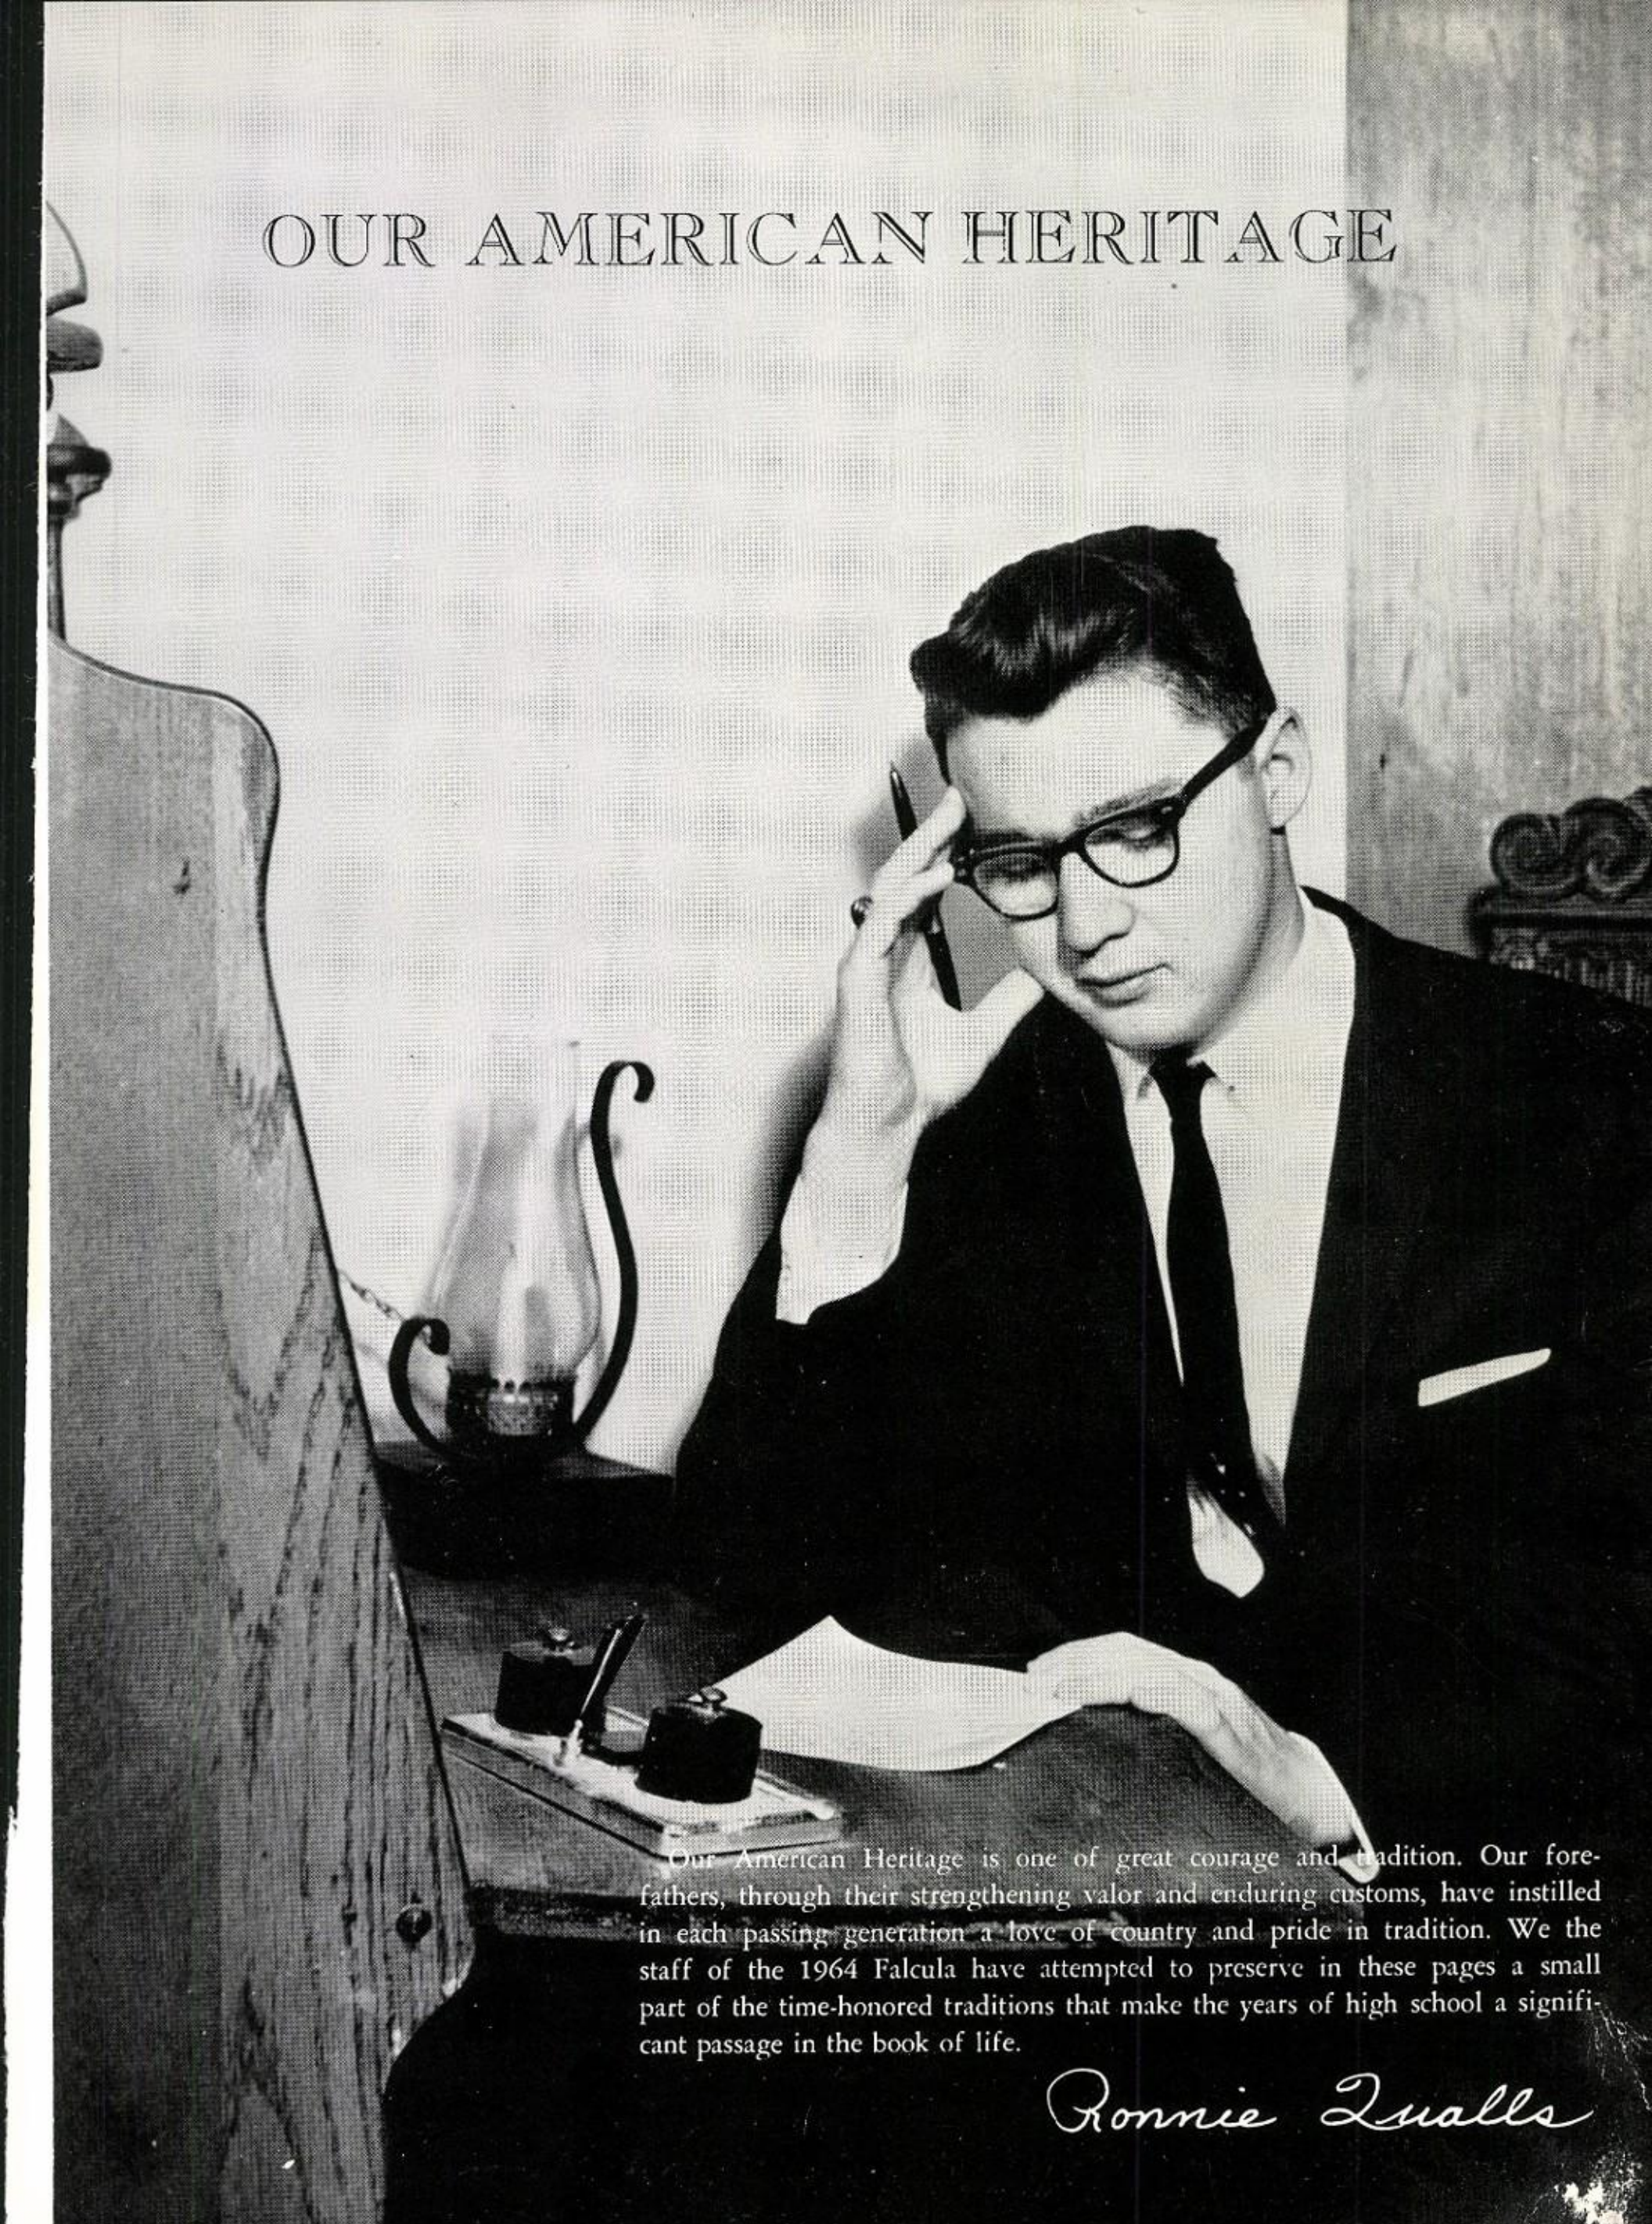
FALCULA



Richard P. Owens

OUR AMERICAN HERITAGE



Our American Heritage is one of great courage and tradition. Our forefathers, through their strengthening valor and enduring customs, have instilled in each passing generation a love of country and pride in tradition. We the staff of the 1964 Falcula have attempted to preserve in these pages a small part of the time-honored traditions that make the years of high school a significant passage in the book of life.

Ector Alma Mater

ECTOR HIGH, we stand to honor you
with your colors blue and white.
We pledge to you our loyalty, we
strive for truth and right.
Praise we sing; honor bring;
As the years go by.
You'll ever live within our hearts,
ever onward, ECTOR·HIGH.

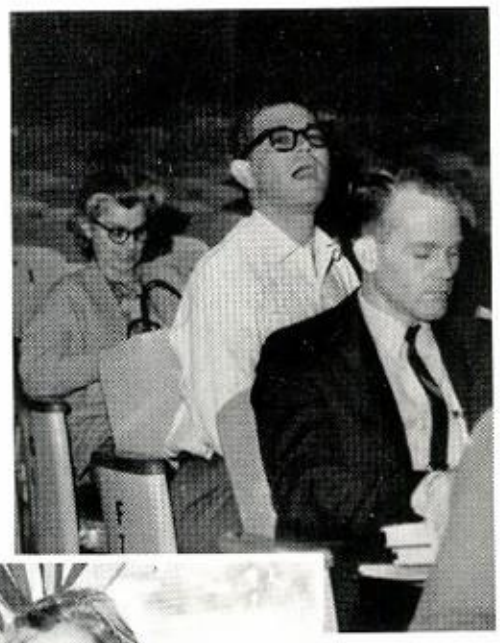
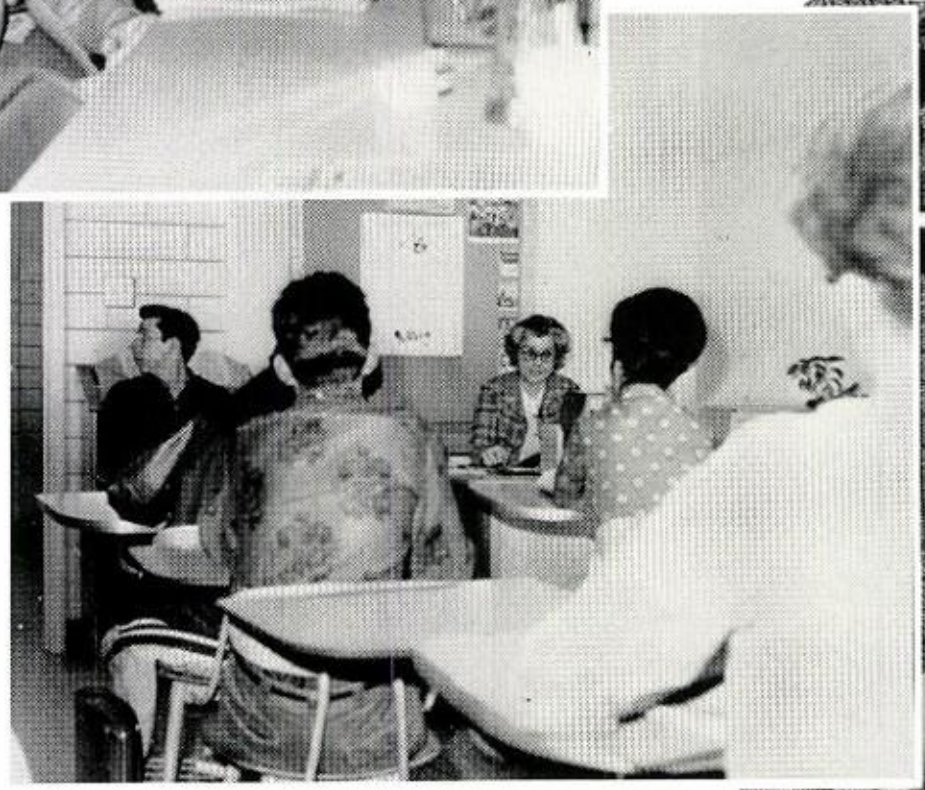
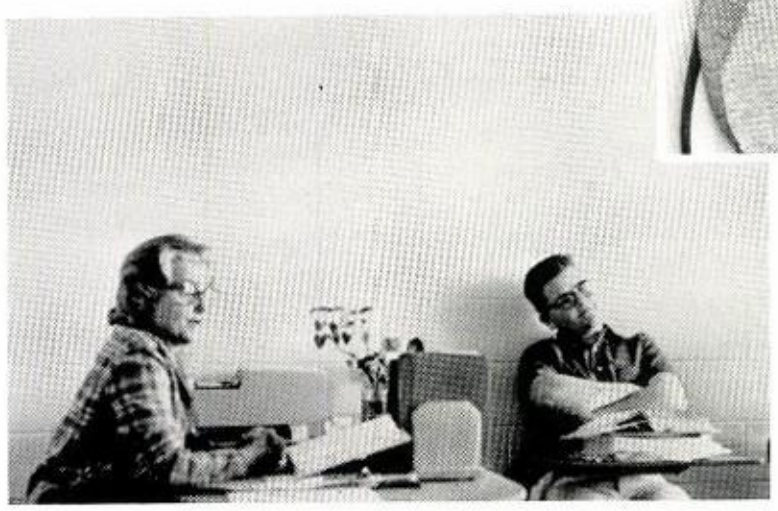
Mrs. Sallie Sue Young

Devoted Friend







Because of her devotion to her work in developing the minds and character of her students and in return for the priceless gifts of knowledge and inspiration she has bestowed upon us, we the staff of 1964 proudly dedicate this edition of the Falcula to Mrs. Sally Sue Young.

Whenever we need advice, she can always be counted on to give us wise counsel and the answers to our many questions. Mrs. Young has taught us good citizenship, respect, and honor in addition to helping us gain unity as a school.

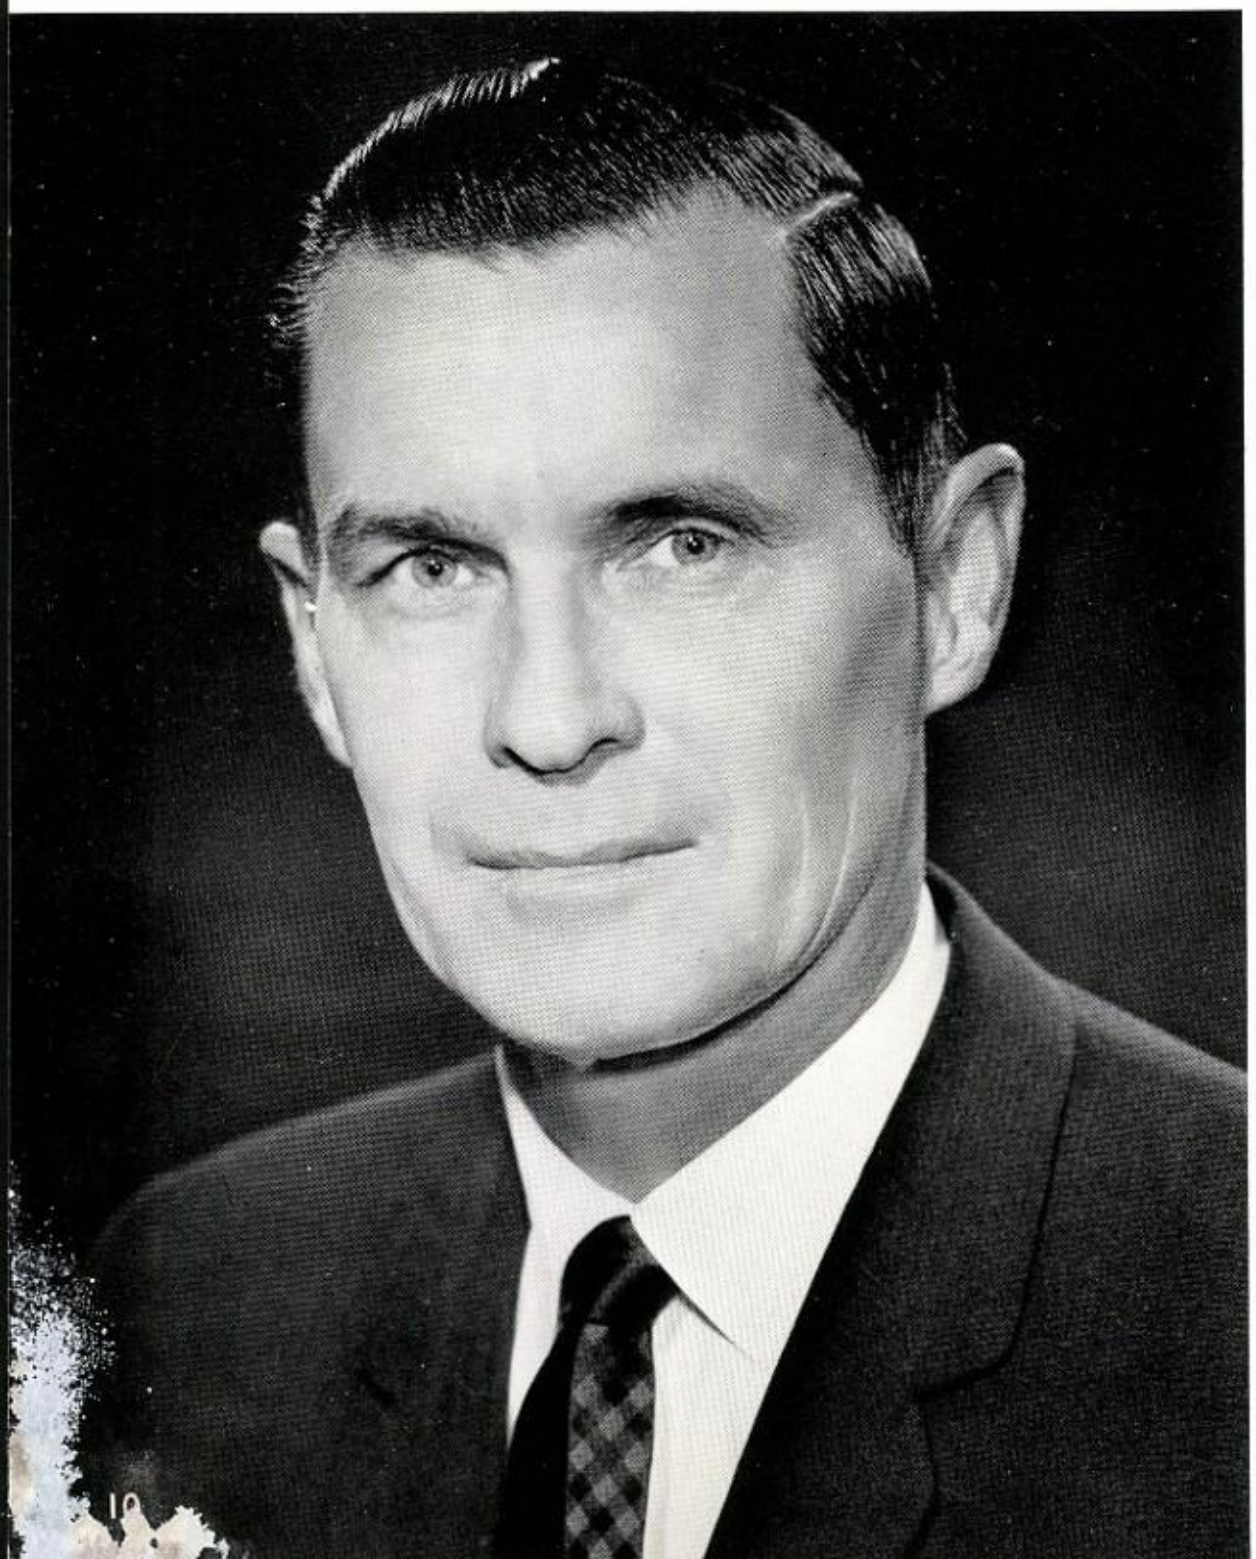
Ector County School Board



Although little known to most students, the school board is faced with the important tasks of forming school policies, keeping the school provided with necessary equipment and helping the school to run smoothly. We owe our sincerest thanks to these people who devote much of their time and energy to improve our school.

The End

- Dear Sir-
I enjoy bugging you but really when I am stuck or in trouble with school I know just who to come too. I have D.H.H. and I know that as long as you help run this school it won't fail. (I hope) Lots of luck in all you attempt always.
your friend
Freddy Roberson
Jr. 63-64 "64"

Mr. Owens

I guess I have bugged you a lot more than anyone else at Eater. You have really been a good friend. I hope we can keep in touch after I get out of Eater. (if I ever do) Well I think you should be able to keep the wood you school running right for the next 10 or 20 years. I am really going to miss the teachers at this school. I don't think there are any better in world.

Lots of Luck
Gary
& Rosenblum

Mr. Owens -

I really do think you're o.K. But I guess I'll always be a kid in my actions. I think you've got the ideal life. Hope I can be half as happy as you when I'm grown.

Larry Barnett

Mr. Owens;
It has really been a pleasure having you as a friend and teacher. You've really got it knocked on life & Hope we can always be the best of friends. Ken Broyles

Mr. Owens
You have the greatest sense of humor of any person I know. I really have enjoyed knowing you this year and I thank you for the wonderful time you showed me at the Student Council Convention. I believe I had more fun than Anyone else except maybe you. I sincerely believe that you have th taught me more than any of my subject teachers this year. I just wish I had more time to spend doing things that I like. I am glad that you do take an interest in me because I feel that you are always trying to help me out in any way you can. It's hard for me to express how I feel toward you but in my books you are the greatest friend I'll ever have.

Johnny

P.S. Don't ever let me stay mad for a very long time. O.K.?

TAYLOR PUBLISHING COMPANY
"The World's Best Yearbooks Are Taylor-made"

Mr. Owens "Boom Boom"

Every year that I get to know you I like you better. Your my type of person. I enjoy your sense of humor and I hope you like mine. I still wish I could have you for a year of L.A.H.

Mr. O, to me it seems like you like to help people. When I have problems in school I can trust you to help me. You have a very generous attitude, well I guess everybody can't afford it. ha! ha! Your a lot of fun and I like to be around you and I hope we will always be the best of friends.

May God and money give you everything that you want.

May God bless and keep you.

A friend forever

Raymond
